

Instructions to Register for a 2017 Gerry Patsula Community Garden(GPCG) Plot:

Step 1: Establish a Karelo.com profile for yourself:

Step 2: Complete the Profile if you are the one who will be making the Garden Plot Application. (If you ALREADY have a Karelo.com profile you will not need to do this and can proceed to login)

Step 3: Applying for AG Society Membership:

1. Go the following LINK: <https://www.karelo.com/restdetail.php?&BT=10&BID=659>
2. Log in with your Karelo.com profile to make you Ag Society membership (SIGN-UP)
3. The Karelo.com profile and your BADAS Membership are two different elements
 - a. Karelo.com is your identification in this online system that is used for many events
 - b. BADAS membership captures and tracks registration information
4. Upon successful completion of BADAS membership you will receive an email based on the Karelo.com profile email address.

GERRY PATSULA COMMUNITY GARDENS (GPCG) PLOT APPLICATION FORM

When: Sun, 14-May-2017 - Sat, 14-Oct-2017

The community gardens are located on the Beaumont Agricultural Society Fairgrounds. Current membership with Beaumont & District Agricultural Society (BADAS) is required for a garden plot application. The garden plots are available in different sizes:

- | | |
|---|------|
| • Full Plot (30' long x 20' wide – 600 sq ft) | \$50 |
| • Half Plot (15' long x 20' wide – rectangle 300 sq ft) | \$25 |
| • Half Plot (1/2 of 30' long x 20' wide – triangle 300 sq ft) | \$25 |
| • Raised Bed (4' long x 8' wide x 30" high – 32 sq ft) | \$25 |

As part of the application process you will need to indicate all gardeners that will be using your plot, any plot preferences and the orientation session you will be attending. Plot assignment will occur at the orientation session.

You don't have a login and password yet?

This will bring you the Garden Plot Application where you can select your plot type, add any special requests, select an orientation session, read & agree to garden procedures, and ADD any additional gardeners that that will be using the plot PRIOR to confirming your application. If an email address is entered for the additional gardener they will be included in the garden update email list. All people using the garden plot need to be included in the application.

If multiple plots are desired, a separate application needs to be completed for each.

Plot Selection: (Please select) (*)

Special Requests: (same plot as prior years, request a garden neighbour, or no location preferences).
* Not all special requests may be possible.

Special Requests: None (*)

Please select one of the following Orientation sessions:
* attendance of an orientation session is required for plot applicant, optional for other gardeners using the plot.
* Please note, these are the only time slots that will be available.

Orientation: (Please select) (*)

Refund Policy: Garden Fees are non-refundable after plot assignment.
 I have read and agree with the refund policy. (*)

Garden Operational Procedures: Be responsible for the upkeep of the garden plot such as weeding, cleaning up non organic garden aides (stakes, pea fences, row markers etc).
 I have read the list of practices and agree to be a good gardening neighbour. (*)

General User Waiver: I agree to print, sign, and send in a General Use Waiver. (*)

CLICK "ADD PERSON" TO REGISTER YOUR ADDITIONAL GARDEN PLOT USER(S). MUST REGISTER ALL ADDITIONAL PLOT USERS. (*) required field

Save my information for future registrations

Use the note field to send a message to the organizer, or as a reminder for yourself.

Note:

Please complete the registration details and click 'Confirm' to continue with your payment or press 'Add Person' to register an additional person

After selecting CONFIRM you will be able to complete the payment options and will receive a confirmation email to the plot applicant. Further updates will be emailed closer to orientation.

If an email was not received, please follow up with GPCG Coordinators:
