Instructions to Register for a 2018 Gerry Patsula Community Garden(GPCG) Plot:

Step 1: Establish a Karelo.com profile for yourself:

Step 2: Complete the Profile if you are the one who will be making the Garden Plot Application. (If you ALREADY have a Karelo.com profile you will not need to do this and can proceed to login)

Step 3: Applying for AG Society Membership:

1. Go the following LINK:
   http://www.karelo.com/register.php?BID=659&BT=10&Ev=17667
2. Log in with your Karelo.com profile to make you Ag Society membership (SIGN-UP)
3. The Karelo.com profile and your BADAS Membership are two different elements
   a. Karelo.com is your identification in this online system that is used for many events
   b. BADAS membership captures and tracks registration information
4. Upon successful completion of BADAS membership you will receive an email based on the Karelo.com profile email address.

More detailed instructions on membership applications at:

http://beaumontagsociety.com/documents/UsingOnlineMembershipRegistration_18Feb19_002.pdf

Step 4: Garden Plot Application:

When you have completed the BADAS membership application, you can apply for a garden plot. The garden plot application will not pass the CONFIRM if the plot applicants name cannot be found in the BADAS membership list.(Step 3)

The link for the garden plot applications is:
